

2024 PARTICIPATION FEE SUMMARY SHEET

FINANCIAL AGREEMENT 2024

(SGYF) is a non-profit corporation and is budgeted solely to operate on a 'break-even' basis by the end of each year. Its Board Members and Coaching Staffs are all "VOLUNTEERS" in this organization and no one is paid for the hundreds of hours in service to the youth in our programs. SGYF is dedicated to providing the highest quality recreational football and cheerleading program at the 'lowest cost' possible! The funds to maintain this goal are derived from player-cheerleader participation fees AND organization fund-raisers, such as; community events, fireworks campaign, snack bar operations at practices and Saturday home games, and other host events/playoff games and other donations. Our expenses every year include, but not necessarily limited to the following: [1] replacing player uniforms and equipment as needed, [2] replacement & new coaching & team training equipment, medical kits, [3] reconditioning (cleaning & sanitation) and re-certification of existing helmet and shoulder pad inventory, [4] replacing football helmet & shoulder pad inventory, [5] fees to the Football Conference (parent organization) for the cost of referees, national fees, supplies, and other conference requirements, [6] insurance coverage: general liability & secondary medical for participants, [7] field and facility equipment and supplies throughout the year, [8] year-end trophies, picture packages, scholastic and other awards of participation recognition, [9] snack bar operations & supplies, [10] general administrative expenses for registration materials, advertising, communications, training, team equipment, etc., and finally [11] Cost of PPE equipment & supplies in the form of facemasks, hand sanitation, equipment sprays, etc. **THE FOLLOWING FEE SCHEDULE PROVIDES THE PRIVILEGE AND OPPORTUNITY TO PARTICIPATE IN THE SOUTH GATE AZTECS FOOTBALL & CHEER PROGRAMS & DOES NOT GUARANTEE YEAR-END AWARDS & BENEFITS (PLEASE REFER TO THE PARENT HANDBOOK).
