"HOW YOU PLAY THE GAME IS HOW YOU WILL BE REMEMBERED!"

SOUTH GATE AZTECS PARTICIPANT SPONSORSHIP

We are members of an organization that aims to provide our community's youth with the opportunity to blossom their leadership skills as well as their potential to excel as student-athletes. Most of our players and cheerleaders, ages five (5) through thirteen (13), come from low income and single-parent households where there is great financial difficulty.

Our organization encourages active participation in sports which will keep our children off the streets and out of gangs. Nevertheless, due to their financial limitations many families are not able to support having their children take part in such events because they are unable to pay the required fees for participation and uniform and equipment costs.

It is for this very reason we are seeking a generous sponsorship from your business by sponsoring a team player or cheerleader in need of financial help. **With a generous sponsorship (check one below) you will help an enthusiastic adolescent to actively participate in a hobby that will not only help them value team work, but will also help them to develop important skills such as leadership.** You will receive a team picture and a personal essay of the player or cheerleader you will be sponsoring to inform you of the difference you have made in this athlete's life through your sponsorship.

YES, WE ARE PLEASED TO SPONSOR THE BELOW STUDENT-ATHLETE:

Nevertheless, if you are unable to provide a full sponsorship, any donation will be more than appreciated. These are young student-athletes reaching out to the community to make one of their dreams come true. **We thank you in advance for making a difference in the life of a future leader.**
